Hello Summer Readers and welcome to A Universe of Stories! We are so glad you are joining us this summer as we travel the galaxy in search of adventures and amazing stories. Summer is the best time to find that new favorite book, either in print or on audio. Like an old friend, pick up that favorite from summers past and re-read in the shade on a warm afternoon.

You and your family are invited to join us at one of our Summer Reading kick-off parties, beginning in Post Falls on Tuesday, June 11. Parties continue throughout the week with special guest Charlie the NoiseGuy, a summer favorite, Touch a Truck and performances by Traveling Lantern.

This year we are once again using Beanstack to track reading and activities. Simply log in to your account from last summer and start tracking your minutes. Forgot your log-in or password? Not a problem! Stop by any Library Network location and we will happily get you set up.

We have an exciting lineup of programs and activities planned to keep you engaged all summer. From concerts with Red Yarn Theater and the magic of Cecil the Magician to Mobius Science Exploration days and Star Wars inspired NERF battles, we have something for everyone. All programs are free and most programs do not require registration, so drop in at any library when your schedule allows.

Teens, are you a fan of Marvel, Stranger Things or Riverdale? Be sure to grab a friend and join us for Trivia Nights and test your fandom knowledge. Budding writers join us this summer when we host Spokane Poet Laureate Mark Anderson in July for a writing series to help guide and hone your craft. This summer we welcome teens to join us for the Teen Summer Volunteer program. Attend a training and then sign up for as many opportunities that fit your summer schedule. It's a fun way to give back this summer and it looks great on college or job applications.

All of this and much more is waiting for you at the Community Library Network this summer.

See you at the Library!

A Big Thank You to Our Friends of the Library

Summer Reading is brought to you, in part, by support from the Friends of the Community Library Network and the Friends of the Post Falls Library.

Each year, the money they earn from selling gently used books in our libraries goes toward enhancing our programs for children and adults. These behind-the-scenes volunteers work hard sorting, arranging, and selling the many books available to you at bargain prices.

Both Friends groups hold monthly meetings to hear library news, find out what programs for children and adults are being planned, and enjoy each other’s company. The Post Falls group operates Twice Told Tales and all proceeds are dedicated to the Post Falls Library. This unique bookstore, housed in the Post Falls Library, is open 10am to 4pm, every day.

The Friends of the Community Library Network operate a small bookstore at the Hayden Library. In addition, all our libraries have space dedicated to sell used books on behalf of the Library Network Friends. The Friends hold two big book sales a year—spring and fall—at the Hayden Library to support library programs in Athol, Harrison, Hayden, Pinehurst, Rathdrum, Spirit Lake, and the Bookmobile.

The friendly members of both Friends groups welcome your support. Whether it is serving as a volunteer or stopping by to purchase a book, rest assured, you will be helping your library too! For more information, visit CommunityLibrary.Net/Friends.
